

The White Deer of the Seneca Army Depot Need Your Help!

Their Future is in Our Hands!

My name is Allison Mullin. I'm 10 years old and I am a Junior in Girl Scouts. For my Girl Scout Bronze Award I choose to bring awareness about the white deer located at the Seneca Army Depot. The white deer are a precious part of our nature, and I believe they are too rare and beautiful to lose. Just think, no place in the WORLD has more white deer in one location than we have right here in our own back yard. It would be absolutely, horribly tragic if generations to come didn't get to see these wonderful creatures.

This is Why I Need Your Help!

We can't let them become extinct! Please chip in to keep the white deer by encouraging and supporting the conservation of this wonderful and rare resource and the habitat in which they live.

Please help me bring awareness of this special place by spreading the word of the efforts being made by Seneca White Deer, Inc. to keep the white deer and the habitat and natural resources of the area.

Thank You
Allison Mullin.

*For those of you who would like to donate to Seneca White Deer, Inc. to help keep this unique and legendary herd, the **World's** largest herd of white deer, as well as to protect 7,500 acres of precious open space or if you would like more information about this project and how you could help, contact us at www.senecawhitedeer.org. or call (585) 328-3960.*
